

ADULT EDUCATION PROGRAM SERVICES

Stipend

Eligible participants will receive a stipend for each week of attendance according to the following standards. Students must be in class the full day (9:00am – 1:00pm) to be eligible for the stipend. Students must also attend class at least 80% of the time to receive stipend. You will begin receiving a weekly stipend check after attending the first three weeks of classes.

Transportation

Bus Pass or Gasoline voucher assistance will be provided when needed. To qualify for this service, the student must have met the attendance requirements for that week.

Child Care

MAC does not provide childcare services. Case managers are available to assist you in finding a suitable child care provider.

Career Counseling

Each participant will be assigned a Case Manager. You are required to meet with your Case Manager at your weekly scheduled time. Teachers are also available for counseling as needed.

Materials & Supplies

The program will supply all educational materials that the students will need. The program will pay for the GED exam and the ACT or SAT fees.
